

TENDER NOTICE

ABOUT RI: Relief International specializes in relief and development programs that benefit people in the world's most fragile settings. A registered non-profit in the US, UK, and France, our work focuses on countries or communities that suffer from recurrent man-made or natural crises that impede human development. The people that we serve live in sixteen countries across the Middle East, Africa, and Asia where the debilitating effects of political instability, forced displacement, and natural disasters are pervasive.

RELIEF INTERNATIONAL intends to award a supply contract for:

- Supply of Hygiene and baby kits (Gaza Strip)

The tender dossier is available from

- E-mail: opt.clarifications@ri.org

There is no fee for participation in this bidding process.

The deadline for submission of tenders is

- February 10, 2026, before 21.00, Ramallah time
